Dear Applicant:

Thank you for your interest in Concord Area Transit (CAT) ADA Paratransit service. Enclosed is an application for Certification of ADA Paratransit eligibility, as well as instructions outlining the certification process, and informational brochures about CAT transportation services, including ADA Paratransit service. CAT provides ADA Paratransit service to individuals who are functionally unable to use the CAT fixed-route bus service because of a disability either all of the time, temporarily or only under certain circumstances. An inability to use regular fixed-route bus service may include being unable to travel to and from bus stops, board or exit buses, or understand how to ride and use the regular bus system. Please read the following information carefully before completing your application;

CAT ADA Paratransit service provides shared-ride, origin-to-destination service to individuals determined to be "ADA Paratransit eligible" for only those trips that cannot be made using CAT regular fixed-route service. You may, for example, be able to use CAT regular fixed-route bus service for some trips if stops are nearby and there are no barriers that prevent you from getting to and from the bus. At other times, you might not be able to travel to and use CAT regular fixed-route buses. CAT ADA Paratransit service is meant to assist you at these times. CAT ADA Paratransit service covers 3/4 of a mile of CAT's fixed route bus line and the time of your trips must fall within the hours of CAT's fixed-route service. If you reside outside 3/4 mile radius, you must have a means of getting within CAT's Paratransit service area before transportation is provided.

There are four (4) types of CAT ADA Paratransit service eligibility:

Conditional Temporary: You are able to use CAT regular fixed-route bus sometimes and need ADA Paratransit service sometimes. The functional limitation is expected to improve, and there is an end date for eligibility based on this expectation of improvement.

Conditional: You are able to use the CAT regular fixed-route bus sometimes and need ADA Paratransit service sometimes. The functional limitation will not improve and may become worse. Eligibility is determined per trip and will be reviewed per the terms set in your ADA Paratransit eligibility documentation. Rarely a determination of permanent is given and no review or re-determination is necessary.

Unconditional Temporary: You cannot use CAT regular fixed-route bus due to a functional limitation. The functional limitation is expected to improve, and there is an end date for eligibility based on this expectation of improvement.

Unconditional: You cannot use CAT regular fixed-route bus due to a functional limitation. The functional limitation will not improve and may become worse. Eligibility may be reviewed per the terms set in your ADA Paratransit eligibility documentation. Rarely a determination of permanent is given and no review or re-determination is necessary.

To enable CAT to accurately determine your eligibility for ADA Paratransit service;

1. Complete the enclosed **“ADA Paratransit Eligibility Application”** form **as thoroughly and accurately as possible**. The questions will assist us to determine the circumstances under which you can use CAT regular fixed-route or ADA Paratransit services. **NOTE:** If you need assistance completing the form, or have questions, please contact the Concord Area Transit at 603.225.1989 (voice) or TDD/TTY 1.800.735.2964. Regular office hours are Monday through Friday from 8:30 am until 4:30 pm. This letter, application and other informational materials are also available (by request) in large print, and other alternative formats. This information is also available for download on our website at www.concordareatransit.com.

2. Sign the **“Agreement to Eligibility Terms and Conditions and Release of Information”** form and mail your completed portion of the application to: Community Action Program, Belknap-Merrimack Counties, Inc., PO Box 1016, Concord NH 03302-1016. Attn: Concord Area Transit. The **“Medical Professional Verification”** form should be taken to a licensed medical professional, who is most familiar with your health conditions or disabilities, as well as your functional abilities and limitations, to complete the professional verification section of your application.

3. Your medical provider must return the completed **“Medical Professional Verification”** form to: Community Action Program, Belknap-Merrimack Counties, Inc., PO Box 1016, Concord NH 03302-1016. Attn: Concord Area Transit. It is the applicant’s responsibility to follow up on the completion and return of the Medical Professional Verification form to Concord Area Transit. **NOTE:** If you are renewing your service you must be recertified within thirty days of your service eligibility expiration date listed on your ADA Paratransit eligibility card. It is your responsibility to complete the recertification paperwork and return it to CAT before the expiration of the thirty days. If you do not renew your ADA Paratransit Eligibility within 30 days of your service eligibility expiration date, you will become ineligible for service until the recertification process is completed.

NOTE: You and your licensed medical provider must sign the application. **If any sections are left blank, the application will be returned to you as incomplete, which may delay processing.** The information that you and your medical professional provide in this application is confidential and will only be used to help us determine your eligibility for ADA Paratransit service. You may be asked to attend an in-person or telephone interview. **Please note that CAT reserves the right to request additional independent medical evaluation (IME) before granting or extending a request for the ADA Paratransit service.**

Please do not attach additional medical documentation or information to this application. You may bring the medical information with you if we request an interview with you as part of the determination process, or to your IME appointment, if one is requested for you. Applications sent to us by fax or e-mail will not be accepted. Only original forms will be considered.

Within a few days of receiving your **completed application packet**, you will be contacted by telephone to review your application and, if necessary, schedule an interview to help determine your abilities to use CAT regular fixed-route service and receive instructions about scheduling an IME. Completed applications will be processed within **21 days** from the date you complete your telephone and/or in-person interview and functional assessment. You will be notified by letter as to your eligibility status. If additional time beyond the 21 days is required to complete the evaluation and determination, you will be given temporary eligibility until the final determination is completed.

If we determine that you are able to use CAT regular fixed-route service, and are not eligible for ADA Paratransit service, we will notify you of the reason for this decision. You may appeal this decision in

writing. ADA Paratransit service will not be provided during the appeal process, unless the appeal

process cannot be concluded within 30 days.

AMERICANS WITH DISABILITIES (ADA) APPEAL PROCESS

(Please keep this page for reference should your application be denied and you wish to appeal that decision.)

If your ADA Paratransit eligibility determination results in a finding of ineligible to receive ADA Paratransit service or in a determination of limited or conditional eligibility and you feel that this determination has been made in error, you have the right to appeal this determination.

To file this appeal you must notify CAT in writing within 60 days of the date on the determination letter. After your appeal request is received, a hearing will be scheduled to evaluate your case. The hearing process (which should not take more than 30 days) will allow you to present information and arguments on your behalf. You may have others present who are knowledgeable of your physical or mental impairment and who can speak on your behalf, but you must pay the cost for these other spokespersons. After the hearing, you will be advised in writing of the decision of the appeal board. The decision of the appeal board is final.

CAT is not required to provide you with Paratransit service while your appeal is under consideration. If the appeal board has not made its decision within 30 days of receiving your appeal, you are entitled to Paratransit service from that time until a final decision is made.

ADA Paratransit Eligibility Application

Concord Area Transit (CAT) is committed to ensuring equal access to its services for all individuals, regardless of disability. All of the information provided in this application is confidential and is used only to determine eligibility for ADA Paratransit service.

Eligibility for CAT ADA Paratransit service is based on one or both of the following circumstances set by the *Americans with Disabilities Act of 1990 (ADA)*:

1. Any individual with a disability who is unable, as a result of a physical or mental impairment (including a vision impairment), and without the assistance of another individual (except the operator of a wheelchair lift or other boarding assistance device), to board, ride, or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities.
2. Any individual with a disability who has a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location on such system.

Distance to a bus stop, lack of bus service, or illiteracy, by themselves do not qualify individuals for the ADA Paratransit service.

NOTE: PLEASE ANSWER ALL QUESTIONS - INCOMPLETE APPLICATIONS CANNOT BE PROCESSED AND WILL BE RETURNED TO YOU WHICH WILL DELAY THE FINAL DETERMINATION OF YOUR APPLICATION.

Please Type or Print Clearly. Thank you.

Concord Area Transit ADA Paratransit Service

Medical Professional Verification Form

Health Care Professional Information Form Attachment to Application for ADA Paratransit Service

Dear Health Care Professional:

Federal law requires that Concord Area Transit (CAT) provide complementary Americans with Disabilities Act (ADA) Paratransit service to persons who do not have functional or cognitive ability to use the CAT's accessible fixed-route bus system.

The information you provide in the attached *Medical Professional Verification Form* will allow CAT to make an appropriate evaluation of the applicant's mobility and determine how we may best meet their needs.

In accordance with the "*Americans with Disabilities Act of 1990*" (ADA) and its regulations, Section 37.123(e), there are two specific circumstances under which a person would be considered eligible for CAT's ADA Paratransit service:

1. Any individual with a disability who is unable, as a result of a physical or mental impairment (including a vision impairment), and without the assistance of another individual (except the operator of a wheelchair lift or other boarding assistance device), to board, ride, or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities.
2. Any individual with a disability who has a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location on such system.

Please note this does not include persons who find it uncomfortable or difficult to get to and from bus stops.

Resources for this service are limited, and your evaluation of each person must be based solely upon the individual's ability to use regular fixed-route transit service. All fixed-route buses are fully accessible and ADA compliant. Your verification should consider only the presence of a disabling condition, not the applicant's age or economic status. It is essential that you be as precise as possible in your evaluation. False verification could result in overloading the CAT ADA Paratransit service and adversely impact persons legitimately qualified to use this service.

If you have any questions about the application or the review process, please contact Concord Area Transit at 603.225.1989 (voice) or TDD/TTY 1.800.735.2964.

Sincerely,

Terri Paige, Director
